

**THE CITY OF MARIETTA
MARIETTA, GEORGIA
December 13, 2013**

**ADDENDUM #3
FOR
RADAR SPEED DISPLAY UNITS – RFB 14-035164
RFB 14-035164**

All prospective proposers are hereby advised to make the changes to the Bid documents in their possession as shown and/or described in the attached information:

- 1) We will need fourteen (14) signs with 12” lettering and six (6) signs with 18” lettering.**
- 2) The 12” and 18” height referred to in this addendum is for the LED speed display. The City intends to use the minimum 12” units on lower speed roads and minimum 18” units on higher speed roads as recommended by current edition of MUTCD in section 2L.04 Paragraph 6 which partly reads as follows:**

“....The minimum letter height should be 18 inches for changeable message signs on roadways with speed limits of 45 mph or higher. The minimum letter height should be 12 inches for changeable message signs on roadways with speed limits of less than 45 mph.”

Please sign the Addendum below and include with your proposal.
